5. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant’s violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. §2201 and §2202.

6. Plaintiff Steven Fisher has suffered and will continue to suffer direct and indirect injury as a result of the Defendant’s discrimination until the Defendant is compelled to comply with the requirements of the ADA.

7. Plaintiff Steven Fisher is a Utah resident, is *sui juris*, and qualified as an individual with disabilities as defined by the ADA. Mr. Fisher has cancer in his spine, and four

The purpose of this organization is to represent the interest of its members by assuring places of public accommodation are accessible to and usable by the disabled and that its members are not discriminated against because of their disabilities. ACCESS 4 ALL, INC. and its members have suffered and will continue to suffer direct and indirect injury as a result of the Defendant's discrimination until the Defendant is compelled to comply with the requirements of the ADA.

9. Steven Fisher, of Access 4 All, Inc., has visited the property which forms the basis of this lawsuit and plans to return to the properties once the barriers to access are corrected, and the facilities become fully accessible.

l. The accessible features of the facilities are not maintained, creating barriers to access for the Plaintiffs, as set forth herein, in violation of 28 CFR §36.211.

16. The discriminatory violations described in paragraph 14 are not an exclusive list of the Defendant's ADA violations. Plaintiffs require the inspection of the Defendant's places of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The Plaintiffs, and all other individual members of the Plaintiff organization similarly situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. The individual Plaintiffs, and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiffs require an inspection of the Defendant's places of public accommodation in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.

17. Defendant has discriminated against the Plaintiff organization and member Steven Fisher by denying access to full and equal enjoyment of the goods, services,

facilities, privileges, advantages and/or accommodations of its places of public accommodation or commercial facilities in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, the Defendant continues to discriminate against the Plaintiffs, and all those similarly situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

18. Plaintiffs are without adequate remedy at law and are suffering irreparable harm. Considering the balance of hardships between Plaintiffs and Defendant, a remedy in equity is warranted. Furthermore, the public interest would not be disserved by a permanent injunction.

19. Plaintiffs have retained the undersigned counsel and are entitled to recover attorneys' fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

26, 1993, as defined in 28 CFR 36.401, then the Defendant's facilities must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.

22. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiffs Injunctive Relief, including an order to require the Defendant to alter Brewvie's Cinema Pub and 679 Plaza to make the facilities readily accessible and useable to the Plaintiffs and all other persons with disabilities as defined by the ADA; or by closing the facilities until such time as the Defendant cures its violations of the ADA. The Order shall further require the Defendant to maintain the required assessable features on an ongoing basis, and to require the institution of a policy that requires Defendant to maintain its accessible features. The Order shall further require the Defendant to maintain the required assessable features on an ongoing basis, and to require the institution of a policy that requires Defendant to maintain its accessible features.
